

BTECH/MTECH MINOR/MAJOR PROJECTS

❖ CSE/IT and ECE/EE

Projects list of Networking:

- ✓ Design railway network.
- ✓ Design MNC network.
- ✓ Design hospital network.
- ✓ Design campus network.
- ✓ VPN based projects.
- ✓ Firewall based projects.
- ✓ Access list based projects.
- ✓ Router and Switches security based projects.
- ✓ Mail Server based projects.
- ✓ Redistribution based projects.
- ✓ Banking Network Design MCA Project Report
- ✓ Network Desktop Manager Java Project

- ✓ CSE Mini Networking Project on Prevention of Congestion Collapse
- ✓ Efficient Resource Allocation For Wireless Multicast Project
- ✓ Distributed Metadata Management For Large Cluster Based Storage Systems Project
- ✓ Protection Of Database Security Via Collaborative Inference Detection Project Source Code
- ✓ IP Fast Reroute Framework Project Source Code
- ✓ Domain Name Service System With Secured Manner Project Source Code
- ✓ Remote system access by using virtual network computing project source code
- ✓ Enhancing The Utility Of Generalization For Privacy Preserving Publication Project

- ✓ Virtual-Force-Based Geometric Routing Protocol In MANETs Project
- ✓ Rate Allocation And Network Lifetime Problems For Wireless Sensor Networks Project
